

PRODUCT INFORMATION

P.C. POLISH & WAX, 500 ml

Art. No. 63135

POLISH & WAX to refresh, restore and protect strongly weathered and bleached varnish surfaces.

Properties

- Cleans, polishes efficiently and conserves in one step
- Effective and easy polishing possible
- Smoothens and removes dull surfaces
- Removes tar, insects, wax and dirt
- Long-lasting protection
- Manual and automatically use possible

Areas of application

For professional cleaning, restoring and smoothing soiled varnish surfaces (e.g. soiling from tar and insects). Also usable for general soiled metallic and standard varnishes.

Application

Wash and dry car before use. Shake POLISH & WAX well before use. Apply content circular evenly with a soft cloth, sponge or machine. Let it dry until a bright mist is formed and then start polishing.

Do not use on hot or extreme cold varnish and during direct sunlight. Caution when using on new varnished components.

Our data sheets and prints should advise in all conscience. The content is regarding to treatment and application an unenforceable obligation as we have no bearing on it. Modifications which result in improvement are reserved.
