

60002

PRODUCT INFORMATION

P.C. FUEL SYSTEM CLEANER, 250 ml

Art. No. 60002

PROFI-CAR FUEL-SYSTEM-CLEANER cleans excellently and optimizes the running culture. Improves starting behavior and full-load drive. Ensures smooth and quieter idling.

Properties

- Not a transport hazard!
- optimizes the engine performance
- increases the operational safety
- Ensures uniform combustion process
- improves the exhaust gas value
- dehydrating
- corrosion protection
- dissolves and disperses deposits and residues

Areas of application

For cleaning the entire gasoline-fuel system from the tank to the combustion chamber. Prevents deposits in the fuel system. Keeps the engine clean, burns more pollutant-free, consumes less gasoline and is therefore more environmentally friendly. In case of problems with the running quality, cold start, gas change or poor exhaust gas values. Prevents corrosion damage.
