

PRODUCT INFORMATION

P.C. VISCO POWER, 250 ml

Art. No. 60222

PROFI-CAR, VISCO POWER is formulated to stop exhaust smoke due to excessive oil burning. The product is based on a combination of chemical polymers, viscosity index improvers, anti-oxidants, corrosion-inhibitors, anti-foamants and detergent/dispersants.

Properties

Stops or decreases excessive smoke emission.
Reduces oil consumption. Extends engine life.
Improves compression. Improves oil stability and maintains viscosity.

Areas of application

Suitable for all petrol and diesel engines.

Application

Add PROFI-CAR, VISCO POWER to the engine oil at operating temperature or when the engine is warm and shut down. Let the engine run for 5-10 minutes after addition. Use at each oil change or as needed between oil changes. Dosage: One bottle is enough for 4 to 6 liters of engine oil.

The expiration date is 3 years after production date under the permission that the product is stored in a dark, dry and cool place.

Our data sheets and prints should advise in all conscience. The content is regarding to treatment and application an unenforceable obligation as we have no bearing on it. Modifications which result in improvement are reserved.
