

66074

PRODUCT INFORMATION

P.C. AIR CONDITION CLEANER SPRAY, 400 ml

Art. No. 66074

AIR CONDITION CLEANER SPRAY is a special spray for cleaning and surface treatment of air conditioning systems in vehicles. Reduces odours and impedes fungal and bacterial growth on a natural basis.

Properties

- cleans surfaces
- reduces odours
- impedes fungal and bacterial growth
- creates an atmosphere of well-being

Areas of application

AIR CONDITION CLEANER is for cleaning and freshening the air in car interiors and air conditioning systems. Reliably removes mould and other microorganisms.

Application

Spray foam into the intake and ventilation ducts. Clean the air filter housing and spray over a wide area. Spray into the heat exchanger of the filter box and over the drainage pipe. Wait until the foam has collapsed.

Only use when the electrics are switched off.

The expiration date is 3 years after production date under the permission that the product is stored in a dark, dry and cool place.

Our data sheets and prints should advise in all conscience. The content is regarding to treatment and application an unenforceable obligation as we have no bearing on it. Modifications which result in improvement are reserved.

powered by Quality.
